

Eric and Kristie,

A copy of the final annotated validation report for project #1112 BP_DW_Sampling_Analytical is attached. All outstanding issues are noted as exceptions based on Kristie's email dated May 26,2011. Copies of the supporting documents, the final database, corresponding VVL, etc are being pooled on the SFTP site as we go through and wrap up each project. The URL for project #1112 is:

/mnt/array/sftp/Scribe_QAQC/ScribeCleanUpPhaseIIFinal/ProjectSummaries
/1112_EPA_BPDW

Thanks again for all your help on this.

Julie
