Eric and Randy,

A copy of the final annotated validation report for project #1082 DW_Reporting is attached. All outstanding issues are noted as exceptions based on the emails received from Janine, Kristie, and Limari. Copies of the supporting documents, the final database, corresponding VVL, etc are being pooled on the SFTP site as we go through and wrap up each project.

Thanks again for your help on this. When we get a final report completed on this work I'll forward that to you as well.

Julie
