HELP PROTECT HAWAII'S REEFS!

- ① Always keep clear of corals - ANY contact can hurt you and them.
- ② Carefully select points of entry and exit to avoid areas of the reef.
- ③ Leave the ocean **BETTER** than you found it. Leave shells and animals in the water and pick up **ALL** trash.
- ④ Respect all marine life - never chase, move, manipulate or feed.

THE CORAL REEF ALLIANCE
