

code_name	pCO2 equilibrator type
units	WOD code
1600	Showerhead design
1601	Showerhead, large volume >10L
1602	Showerhead, small volume <10L
1630	Laminar flow design
1640	Rotating disk design
1650	Bubbling design
1660	Tandem design (combined showerhead and bubbling)
1670	Membrane design
1680	Aspirator design
1690	Discrete sample closed loop equilibration
